PRECISION TUNED DIECAST

1:3 SCALE GUITAR REPLICAS

Exacting standards and precise detail are what set these replicas apart from all the others. GMP's large scale guitars feature accurately painted die cast metal bodies, real wood necks, functional tone & volume controls, & so much more! Weighing in at over 13 oz's, you'll be looking for an amp to plug into! Check our website for our full product line up of quality diecast replicas!

The names Stratocaster®, Jazz Bass®, Telecaster® and the body and headstock designs of these guitars are the trademarks of F.M.C. All rights reserved.

Manufactured by:
gmp
THE LEADER IN DIECAST REPLICAS
