

# THE MOST INCREDIBLE NEW AMP ON THE MARKET TODAY.

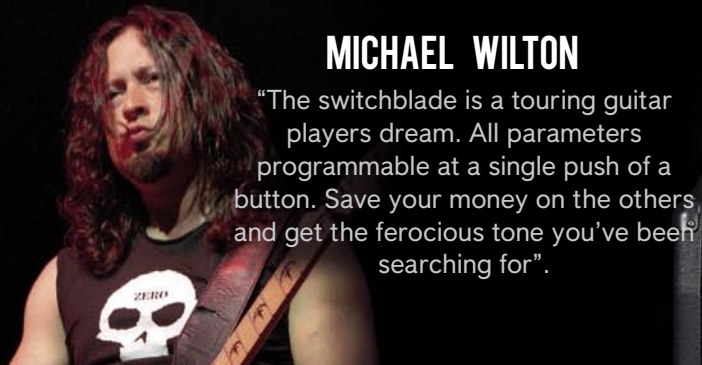

*Hughes & Kettner*  
**ALLAN HOLDSWORTH**

"To have a killer sounding tube amp and the flexibility to store numerous tone variations, plus FX...I love it!"

**TONY McALPINE**

"Either on the road or in the studio, with Hughes and Kettner I have finally found an incredibly durable and flexible Amp that looks as hot as it sounds".

**MICHAEL WILTON**

"The switchblade is a touring guitar players dream. All parameters programmable at a single push of a button. Save your money on the others, and get the ferocious tone you've been searching for".

**ALEX LIFESON**

"I just finished recording a version of I Fought the Law for the upcoming Trailer Park Boys film. I did the bulk of the recording with the Switchblade. I am blown away by how awesome it sounds. This amp is mind blowing! I will be using it for everything I do now. It is beyond excellent!"

The Hughes & Kettner SwitchBlade is truly in a class by itself. The first real, all tube amp with built-in effects and the ability to store everything, including channel selection, gain structure, eq, and effects, in up to 128 stage-ready presets. SwitchBlade captures the legendary tone of Hughes & Kettner and combines it with the flexibility you've always dreamed of. But don't just take our word for it, check out what the pros are saying...

SwitchBlade is available in a 100 watt Head and 50 and 100 watt Combos.
