**Greg Martin**

**Of**

**The Kentucky Headhunters,**

**The Mighty Jeremiahs**

**And Rufus Huff fame,**

**RS Guitarworks**

**and Lindy Fralin**

**Have teamed up to make a set of pickups to get the tone found in Greg's famous 1958 Les Paul and the result is the new PSYCHEBILLY BLUES SET.**

**This set like our TRUE 60s SET are as close to the 50s humbuckers as you can get with out spending thousands of dollars.**

**Team up the Psychebilly set with our new**

**Hillbilly channel switching upgrade kit and you too can have pure Kentucky tone!**
